

It's raining numbers

Number multiplying game

Playing game display

The image shows a game display interface. On the left is a large light gray rectangular area. Inside this area, there are three numbers: a yellow '1' in the top left, a blue '7' in the center, and a green '2' to the right of the '7'. A thick red horizontal line is positioned near the bottom of this gray area. Below the red line, the text 'NextNumber : 3.21s' is on the left and 'Protect the line' is on the right. To the right of the gray area is a dark gray vertical panel. At the top of this panel is a white box containing a table with two columns: 'Name' and 'Score'. The table has four rows of data. Below the table is another white box containing the number '14'.

| Name | Score |
|---------|-------|
| Player1 | 42812 |
| Player2 | 9928 |
| Player1 | 4402 |
| Unknown | 330 |

NextNumber : 3.21s Protect the line
